LASER ENGRAVING AND CUTTING

What Materials Can We Engrave or Cut?

We can engrave or cut a variety of materials, including but not limited to:

- **Wood**
- **Fabric**
- **Acrylic**
- **Foam**
- **Leather**
- **Paper**
- **Plastics (Non-PVC based)**

Our Services:

We offer a variety of laser engraving and cutting services, including:

- **Custom engraving:** We can engrave any text, image, or logo on a variety of materials.
- **Prototyping:** We can use laser cutting to create prototypes of your products.
- **Signage:** We can create custom signs for your business or organization.

Laser cutting is a process that uses a laser beam to cut through a material. The laser beam can be used to cut intricate shapes and patterns. Laser cutting is a great way to create prototypes, produce custom parts, or simply cut out shapes from a variety of materials.

Our laser engraving services are perfect for adding personalized and intricate designs to wood and plastic surfaces. Whether you need to engrave names, logos, or intricate patterns, our state-of-the-art equipment ensures precise detailing and high-quality results. We work closely with our clients to understand their design requirements and offer a wide selection of fonts, graphics, and customization options to bring their vision to life. From wooden plaques, picture frames, and promotional items to plastic signage, awards, and product branding, our laser engraving services provide a unique and elegant touch to any project.

In addition to laser engraving, we also specialize in laser cutting services for wood and certain plastics. Our advanced laser technology allows us to cut intricate shapes, patterns, and designs with utmost precision. Whether it's creating custom wooden puzzles, jewelry, architectural models, or plastic prototypes, our skilled technicians utilize their expertise to ensure clean edges, fine detailing, and flawless execution. We work with various wood types, such as plywood, MDF, and hardwood, as well as non PVC based plastics that are laser-compatible, offering versatility and flexibility in material selection.

When you choose us for your laser engraving and laser cutting needs, you can expect personalized service, attention to detail, and a seamless experience from start to finish.

MOTION GRAPHIX

At STRIX GRAPHIX, we understand that pricing is a crucial aspect when considering motion graphics services. However, due to the nature of motion graphics and the wide range of variables involved in each project, it's challenging to provide fixed pricing without thoroughly understanding the unique requirements and scope of your project.

Every motion graphics project is different, with considerations such as the complexity of the animation, the length of the video, the level of detail required, the number of revisions, and the use of specialized effects or techniques. Additionally, factors like scriptwriting, voiceover, sound design, and music licensing can further impact the overall cost.

These prices are estimates and can vary based on project:

Logo Animation:

- Basic 2D Logo Animation: Starting from ZAR 2,000
- Complex 3D Logo Animation: Starting from ZAR 4,000

Explainer Videos:

- 30-Second to 1-Minute Explainer Video: Starting from ZAR 6,000
- 1-3 Minute Explainer Video: Starting from ZAR 10,000
- Complex or Lengthy Explainer Video: Custom Quote

Promotional Videos:

- 30-Second to 1-Minute Promotional Video: Starting from ZAR 10,000
- 1-3 Minute Promotional Video: Starting from ZAR 12,000
- Complex or Lengthy Promotional Video: Custom Quote

Animated Infographics:

- Basic Animated Infographic: Starting from ZAR 8,000
- Interactive Animated Infographic: Starting from ZAR 15,000

Motion Graphics for Social Media:

- Short Animated Video for Social Media: Starting from ZAR 5,000
- Animated Instagram Stories: Starting from ZAR 3,000

(Please keep in mind that these prices are just estimates and can vary depending on the complexity of the project, specific client requirements, and additional services such as scriptwriting, voiceover, sound design, and music licensing. We recommend reaching out to us for a personalized consultation to discuss your project in detail and receive an accurate quote based on your specific needs and budget.)

Rest assured, we strive to offer competitive pricing that aligns with the value and quality of our motion graphics services. We believe in delivering exceptional results that exceed expectations, and our pricing reflects the level of expertise, dedication, and attention to detail that we bring to every project.
